Anatomy of a pig:

Visiting the market is a lesson in anatomy, name that organ.

Transporting pigs via motor bike, not much wiggle room. – road to Mondolkiri

**Transporting ice via motor bike, I'm guessing they lose a lot to melting.
-road to Mondolkiri**

I found something worse than Chinese and Lao rice alcohol, Cambodian rice alcohol. Here I am being forced to drink the vile stuff. Turning it down is not really an option, only negotiating the amount.

**Loading up the van.
Fortunately I haven't
been forced to take one
of these overcrowded
vans yet.**

**-Road to Phnom Penh,
Cambodia**

**Gas station. I'm not sure if there are more
Pepsi and Coke bottles in Cambodia
containing there original fluids or
gasoline, it's definitely close.**

Fill her up. One Pepsi bottle at a time.
